## COPE SPLINTERS POLE AT RIVERSIDE; TWO GO TO HOSPITAL WITH INJURIES

A 1921 Ford coupe with three men in it plunged off the road near Riverside, Tuesday night about 10 o'clock, crashing into and splintering a telephone pole that brought it to a stop on the slope towards the river.

Walter Bergman, 28, of Montville, who was driving the car, and George Pettit, 18, of Oxbow, were taken to the Backus hospital for treatment for their injuries, which consisted of cuts and bruises.

The third man, who was said to be Alfred Main, of Oxbow, suffered slight cuts in one knee but did not go to the hospital. The coupe was said to belong to John Fox of 264 State street, Portland, Conn.

The three men in the car were coming towards Norwich when the accident happened and were traveling on a down-grade, having just passed a curve and a short distance away from where they left the road. It is understood they stated that their lights suddenly went out, causing them to lose the road.

The coupe was said to have been left, plunging in among some bushes and bringing up against a telephone pole which was split in two about 7 or 8 feet above the ground. The car tilted on its side and the front of the car hit it.

A garage man was preparing to move the car during the night.

## HIKES WERE FEATURES FOR CAMP TERREHOGAN BOYS

Camp Terrelogan, at Rogers lake, the New London county Y. M. C. A. camp for boys, has begun its fourth and last week. In many different ways the first week of this season have been the banner days in the history of the camp.

The second week found the camp with its greatest enrollment of any one time, with meals being served for 55 campers and leaders. The boys of Stoughton have spent ten days in camp and given much helpful instruction in woodcraft work.

The annual Devil's Hopyard hike was made Tuesday night, 20 campers, under the direction of Tent Leaders H. R. Hubbard and Clyde Fowler. An opportunity is given on these hikes for boys to do their own cooking and also to get first hand information as to how to make comfortable quarters for the night. The boys found the falls more swollen than in three years and much of the trail was in the pool pool at the foot of the falls.

This last week Tuesday the regular hiking day found the camp divided into three parties. One under the leadership of the Tent Leaders, combined and only the Meriden Boy Scout camp. Here the campers were fortunate in finding that the scouts had left and thus ample space was available for the hike.

The second party under the leadership of James Crawford of Norwich hiked to Norwich pond and they also hiked to the Vellied Prospect of Mr. Hecht, the only cottage owner on the pond. The third under the leadership of Mr. Hubbard journeyed to Giant's Neck.

The hike was not only a most enjoyable experience on the sands and were able to protect themselves with their supply of coverings.

The hike which is looked forward to by all the campers will be to Camp Hazen, the state Y. M. C. A. camp at Chester. This hike is conducted in cooperation with the campers of Camp Hazen. The following morning a baseball game will be played in both camps. This is the longest hike to be made by the campers and only those who have proved their ability to hike on previous trips are allowed to take part. The distance covered in this hike will be about 25 miles each way.

The coveted camp emblem is being diligently worked for and nearly every camper leaves with a first, second or third year emblem. One feature of the emblem is the mystic points which are awarded by the tent leaders and are given according to the camp spirit which the camper has shown. The way he has applied himself to the project and the progress made in the four-fold tests arranged for.

Twelve campers left Thursday and 15 arrived, thus starting the fourth week with 60 campers and leaders. The fourth week will find the record tested in aquatic and athletic runs off and the best all around athlete and swimmer determined. These records will hold for this year and from year to year the campers will compete to make better records.

Last Sunday A. P. LaRosa of Greenwich was in camp for the day and conducted the morning service and also the vesper service.

During the past week the camp committee, consisting of George Bhatgate, chairman, Hon. E. E. Rogers, William G. Park and A. C. Woodruff, and S. E. Parker visited the camp and considered matters of importance and gave a pleasant feature for the visitors. Many of the parents and friends have found the bathing of excellent that they bring their suits and enjoy the swimming hour with the boys.
